

Lesson 25: Call to arms

Read Ephesians 6:13-18. What are we preparing ourselves for, as we “dress” in this way? How many of these items are defensive (protective) items?

How many are offensive (attack)?

How is the Word of God described here?

What does that tell you about how important God’s Word is?

Read Psalm 119:9-16. How does the Psalmist tell us we can keep our eyes on God? How can you store up God’s word in your heart? Is this possible if you rarely open your Bible?

Read Galatians 1:6-9. Paul speaks with very strong language here, warning that anyone preaching a different gospel (other than that of Christ and His resurrection) should be what? Why is this so dangerous?

Read Acts 17:10-12. Why were the Bereans seen as “more noble” than those in Thessalonica?

Read Philippians 2:1-13. What does Paul warn the people of Philippi to continue to do? For what purpose?

In order to recognize the fake/false teaching, we must know the Truth intimately first. What needs to happen in your own life so that you are seeking His Truth daily?
