

Day 15: Genesis 6:9-22:

Teacher: Connie Stampfl

©2015 Naomi's Table

Noah just, blameless, walked with God: compare to Enoch: Gen. 5:24; Heb. 11:7 and God's command to Abram in Gen. 17:1

Earth corrupt: filled with violence

Make an ark: Hebrew: *teba*: box, also used of Moses' basket in Ex. 2:3, dimensions at least 450 ft. long, 75 ft. wide and 45 ft. high; capacity of 522 railroad boxcars

I will establish my covenant with you: first use of term covenant: divine ordinance with signs or pledges

Noah did this: obeyed God: John 14:15

Assignment:

How does God show grace in this passage?

How is Noah a second Adam and a type (a prefigure) of Christ?

What do you need to do to more closely "walk with God"?
