**But God:** remembered Noah and all...that were with him in the ark: God began to act on their behalf: Gen. 19:29; Ex. 2:24

**Waters abate:** ark came to rest on the mountains of Ararat (highest peak approximately 16,800 ft.)

**Noah sent forth a raven:** scavenger bird that will eat dead things

**He sent forth a dove:** three times, second time she brought an olive leaf, third time she did not return

**Go out from the ark:** bring out every living thing that is with you of all flesh: after 371 days of being in the ark

**Noah built an altar:** offered burnt offerings to the LORD

**LORD smelled pleasing aroma:** promised never again to curse the ground or strike down every living creature; while the earth remains, seasons shall not cease
