### **Day 1: Overview**

*Read through the book of Jonah today (it's only 40 verses). As you read ask yourself these questions and jot some notes down.*

- 1) Do any patterns jump out at you? Anything repeated that jumps out at you?
- 2) What is the tone of God's responses to Jonah?
- 3) What is the most consistent response from Jonah to God?
- 4) What information do we know about Nineveh?
- 5) What information do we have about the sailors?
- 6) What information do we have about Jonah?

As we prepare to dig into this short book, spend some time with God today and ask Him to help you to see the lessons that He has for us in this book. Thank Him for providing these lessons even in small books like Jonah, and ask Him to help you to love His word and to approach it with an eager, teachable heart every day.
