

Lesson 20: In Search of the Seer

Read Ephesians 2:1-10. Where does Paul remind us that we have all started from here? When did God make us alive together with Christ? Why?

Ephesians 2:8-10 make it clear that our salvation is not of our own doing, but by grace, given to us from God. If you could save yourself, if you could do enough good works to earn your salvation, what would you need from God?

Read 1 Corinthians 1:27-31. Why can we only boast in what the Lord does through us?

Read Colossians 3:18-25. In everything, no matter our role, who are we to work for? Why?

An attitude check: are you working at everything as to the Lord? Or are you complaining about your employer, wishing daily for a different job?

Are you complaining about where you live, longing for whatever your ideal location is to live in?

Is your heart focused on God, and on doing His will....no matter where you are at today?

Are you going through the motions of your day, or are you looking for opportunities to serve Him throughout your day? Where is your focus? On yourself? Or on Him?
