

Day 16: Genesis 7:1-24: The Flood

Teacher: Connie Stampfl

©2015 Naomi's Table

Go into the ark: your household and pairs “according to its kind” to escape the flood; note human responsibility

Waited 7 days: before rain began, perhaps opportunity for others to come

LORD shut him in: “salvation belongs to the LORD”: Jonah 2:9; divine sovereignty

Fountains of the deep burst forth: and windows of the heavens were opened

High mountains covered: by 22.5 ft. of water

All flesh that moved on the earth: all mankind outside the ark died: 2 Pet. 3:5-7

Waters prevailed 150 days

Assignment:

How have you seen sin's progress in and around your life?

What is your favorite scripture describing salvation?

How could we help others to understand the reality of God's grace and judgment?
