### **Lesson 3: "What is a False Convert?" 1 John Overview cont.**

Read through Matthew 7:13-29

Go through and write down all of ways that Christ gives as examples of a true and false convert. (There will be 9 of them, they are all analogies and parables)

Why do you think a false convert would hate the doctrine of sin?

Discuss the following:

-Why should a church have a cross in the sanctuary?

-Why should the Lord's Supper always be prefaced with a call to examine yourself before partaking it? Does your church do this?
